DINO & MARIA

A WEDDING OFFICIATOR stands before MARIA and DINO.

OFFICIATOR

Maria and Dino have prepared their own vows.

MARIA

Baby I love you so much, I literally get queasy in my stomach and ass from just lookin atcha. Your face is so handsome I want to throw acid on it so it'll stop.

The fuck do you think you are, stealing my heart? You think you're some kind of wise guy? Ya aint. You make me feel like no one has before. Which is a real fuckin' pain in my left ass cheek, ya know that?

You make me feel like spring has sprung a huge bonah. You make me feel so young, I'm about to call Chris Hansen from Dateline NBC in a minute. You make me feel like a goddamn giddy school bitch. I want to wear pigtails and a checker blouse and skip to and fro while sucking on a lollipop or some other queer shit.

I'm really fuckin' annoyed because before you came along things were real simple. I looked in the mirror in the morning and I knew who I was. What I saw was what I got. Now everything's upsides down, you gotta bunch of feelings farting around in my heart and soul. I laugh, I cry. I'm happy. And you're gonna pay for this. I don't know how, but you're going to pay me back for all this bullcrap.

Also I hate children but I want to have 5 of yours. Get ready for at least 5 little shitbags. Let's get through this and get crackin. Mama's got a dozen eggs in the fridge, but the oven timer's beepin. Ya hear me buddy?

Alright, pussy, that's it. I love you til the day I die. Hope it's you first though, no offense. Let me hear yours. Come on. Hurry up.

DINO

Oh my Baby Maria oh my Baby Maria.

I couldn't be happier to have you grace my life. You're my delicate little princess and you make every day so fuckin' mushy I swear to God I could barf my own farts.

Ya make every day feel like Christmas just butt-humped my birthday and crapped out Baby New Year.

You're better than the best bender I ever did in my 20s, followed by the worst after-sick. Because just like with that, I don't know what the fuck is gonna come outta my mouth next.

For instance. I wuff you my cuddly wuddly cookie bookie mcfrookie. I give you kissie wissie nuggins and wah wahs nuggie boo boos. Jesus Christ I wish I could eat my own dick so I'll shut the fuck up.

Your kisses are so delicious, they taste like a rose fucked a brownie and crapped its baby in my mouth.

You're so friggin beautiful I wish a bald eagle would swoop down and scoop out my eyes so I don't have to see such a friggin' perfect sight.

You're so beautiful you make me ill. You make me physically ill. Baby, just standing here in front of you alone I've never been more nervous. It's like a hundred butterflies are havin' a real fuck fest in my stomach and ass.

In conclusion, I love you. You're everything. You're my angel of
